

# EXPERIENCE THE COUNTRY

## Horse Drawn Wagon Rides

**COME AND JOIN US**, Wouldn't your family be thrilled to take a step back in time and experience a ride through the woods "*on the way to Grandma's house*", or trot out across a snow covered field and hear the jingling of bells and harness? When you return from your ride you can enjoy a fire and hot chocolate if you desire.

The horse-drawn ride and farm meet and greet last about 50 minutes from the scheduled starting time. The hayride trail goes through the woods and along the pasture, then loops back through the woods and returns to the farm. Our wagon has a capacity of 12 people maximum. **We suggest you arrive at least 15 minutes before your scheduled start time, so you will be ready to start on time. If we start late, your ride may be shortened because another hayride may start after yours.**
